

Summer 2013

Dear Friends of Timothy Murphy Playhouse,

For nearly twenty years, Timothy Murphy Playhouse has been a summer tradition in Schoharie County. With generous support from our communities and hours of dedication from our members, we have provided audiences with wonderful community musical productions year after year. It is time now for us to begin the work of producing our 2013 summer musical!

This year we are excited to offer Disney's *The Little Mermaid, Jr.* (July 27 - 28) for our performers ages 4 – 14.

Some of you have been constant faithful supporters, while others may have contributed a few times in the past. Still others may be advertising for the first time. We ask you to earnestly consider supporting our production. Your support is so important to getting us off on the right foot!

The continued support of our amazing communities is always vital to our Playhouse. In this time of ongoing recovery and renewal for our area, we hope everyone will appreciate the arts as a form of relief from daily struggles. Please consider supporting us again this summer.

Thank you for your time in reading this, thank you for your thoughtful consideration, and thank you, in advance for your support!

If you have any questions at all, please don't hesitate to contact our producer, Dr. Deborah Herodes (demise@midtel.net).

Very Sincerely,

The production team and cast of *The Little Mermaid, Jr.*
